Dear Candidates,

IAI is committed to transparency, integrity, and prompt redressal in the examinations it conducts. We have instituted a new procedure that allows candidates to challenge any inconsistencies or potential errors in the indicative solutions provided for exam questions.

We acknowledge that indicative solutions may occasionally be prone to minor errors or misinterpretations. This procedure enables you to flag all anomalies, fostering an implicitly accountable and trustworthy assessment environment in line with IAI's student-first approach. The indicative solutions along with the question paper are published on IAI website "<https://actuariesindia.org/question-paper-solutions>" which may be referenced by interested candidates to submit their challenge on the indicative solutions (if any) online by paying non-refundable processing fee per question as tabulated.
