Invitation for Whitepaper Submissions

The life insurance landscape in India is undergoing unprecedented transformation. From evolving regulatory frameworks to revolutionary distribution models, from new accounting standards to emerging reinsurance dynamics — our industry stands at the cusp of significant change.

The Advisory Group on Life Insurance of Institute of Actuaries of India invites whitepaper submissions under its new collaborative program — a platform designed to harness the collective expertise of our actuarial community to address the most pressing challenges facing our industry today.

Why This Program Matters

In an era where regulatory changes reshape product strategies overnight and new distribution channels redefine customer engagement, the actuarial profession must lead with insights that drive informed decision-making across the industry.

Your study won't just contribute to academic discourse—it will influence real business strategies and regulatory discussions.

Focus Areas

Participants may choose from the following priority themes:

1. **Regulations:** Impact of New Surrender Value Regulations on Life Insurers
2. **Risk-Based Capital (RBC):** Potential Implications for Indian Life Insurers
3. **Risk-Based Capital (RBC):** Analysis of RBC regimes across the globe
4. **Distribution:** Evolution and Emerging Models in Insurance Distribution
5. **IFRS 17:** Global Implementation Insights
6. **IFRS 17:** Comparative Perspectives – Actuarial vs. Finance
7. **Reinsurance:** Outlook for the Indian Life Insurance Market

Eligibility Criteria

To ensure research is grounded in practical expertise, applicants must meet the following:

- Must be a **member of the Institute of Actuaries of India**
- Possess a minimum of **5 years of professional experience** in life insurance
- Open to all age groups, membership categories, and exam levels
