17th Webinar on Data Science and Analytics

The Institute of Actuaries of India (IAI) is pleased to announce 17th Webinar on Data Science and Analytics, hosted by the working group on AI & Data Science

Date: **30th August 2025, Saturday**
Time: **3:00 pm to 5:00 pm IST**
Mode: **Online via Microsoft Teams**

Topic: Regulatory Analytics: A Data-driven Approach to Regulation and Governance

Abstract: As insurance markets face rising regulatory complexity, real-time risk dynamics, and increasing scrutiny, traditional compliance approaches are no longer sufficient. With regulation becoming faster, deeper, and data-driven, this session explores how insurers can turn regulatory demands into a source of strategic advantage through technology-enabled analytics. Drawing on real-world failures and next-gen models, it demonstrates how insurers and regulators alike are leveraging data to drive foresight, accountability, and competitive advantage.

Learning Outcomes:

- Navigating today's rapidly shifting regulatory environment with confidence
- Leveraging data and AI to future-proof your compliance strategy

Target Audience:

Fellows, Associates, Affiliates, Students across domains, All the analytics &technology professionals, CTO's, CRO's, Consultants, Academicians.

Webinar Presenter and Moderator:

- **Mr. Shailesh Dhuri – CEO, Decimal Point Analytics**
