27th September 2025

14th Webinar on Health Care Insurance

Institute of Actuaries of India is pleased to announce 14th Webinar on Health Care Insurance hosted by the Advisory Group on Health Care Insurance.

Date: 10th October 2025, Friday

Time: 3:00 pm to 5:00 pm, IST

Topic: The Analytics Advantage: Strengthening Transparency and Compliance in Health Insurance

Abstract: The webinar will cover an analytical overview of various behavioural, transactional and operational deviations within the health insurance life cycle that contribute to fraudulent claim leakages. The talk shall cover the data requirements which facilitate a typical AI ecosystem along with the various ML algorithms used in identifying such frauds with reference to real world examples.

Speaker: Mr. Prashant Rai

He is a Senior Solution Manager – Pre sales at SAS, leading their business in public health and agriculture in Central and state government schemes. He is a Masters holder specializing in Statistics and Operations research and a student member of the Institute of Actuaries of India.
